

Wyoming Pony Express Net

Preamble

QST, QST, QST, CALLING THE WYOMING PONY EXPRESS NET. *(Repeat two or three times)*

Net Control is _____ (Your call), My name is _____, and I am located in _____.(Your QTH)

This net meets every Sunday morning on a frequency of 3923 +/- at 8:00 local time.

This is a roll call net.

Late check-ins and newcomers will be picked up at the end of the roll call.

Is there any emergency or priority traffic call _____(Your call)

Are there any emergency power or mobile stations wishing to check into the net call _____(Your call)

Are there any traffic listings for the Wyoming Pony Express Net call _____(Your call)

(To speed up the net ask those with traffic to move off frequency...at least 5 kc's)

I will begin the roll call as follows *(Begin with page #1 of the roll call sheets, Identify with your station call after each sheet)*

Are there any late traffic listings....traffic listings ONLY call _____(Your call)

Are there any late or missed member stations: A~H, A~M, A~S, A~Z, are there any visitors wishing to check in to the net?

Close the net and turn the frequency over to Dave, WA7QNS, (Fall, Winter, and Spring months only) so he can run the Wyoming Swap Shop. *(If Dave is not available or it is the Summer months then the frequency is turned over to who ever is going to run the ARES/RACES net.)*

Try to close the net no later than 8:30 so as not to interfere with the Wyoming Swap Shop or the Wyoming ARES/RACES Net. Discourage visiting and "Rag Chewing" during the net..If some one wants to do so then ask them to move off net frequency...at least 5 kc's.

Please report to me the number of check-ins and traffic handled, as soon as possible. I send a total to the Section Net Manager at the end of each month so he can get his report in for QST.
